1. PAY NOW

Firstly, you will have to fill in the details in which you wish to be invoiced, either your personal details or your company's / university's details.

Then, you must firstly accept the "Terms of Use" and then press the **Pay** button, which will lead you to a safe banking webpage in order to make your e-payment via Credit Card.

2. PAY LATER

This will lead you to the end of the registration process where you can find our bank account details, in order to make a wire transfer.

We cooperate with greek banks as well as with one foreign bank. You can choose whichever you wish, but please state your name at the transaction's details.

Again, it is necessary that you fill in your details in which you wish to be invoiced, either your personal details or your company's / university's details.

The last step is to click the button **COMPLETE**  at the bottom for the registration form!

Upon completing your registration, you will receive an automated confirmation e-mail.

You can always log-in back to your registration and make an e-payment, following the link [here](#).
